Hello Sherri,

I know your extremely busy and i am hoping your week is good.

I have some questions.

- 1.) I was wondering if you have or are in process of site visit with presto-x?
- 2.) I know you were meeting with your boss and colleague and i am just inquiring to see if you still need more information, and or to see if your still in process of assinging an attorney and or are we not quite there yet.

We know your extremely busy and we are very appriciative to you and EPA for your help!
